

## CAD Draftsman/Engineering Technician

### About us

Endeavor Professional Services, LLC is a full-service, multi-disciplined, engineering and design firm offering turn-key capabilities to support the energy and utility industries.

Endeavor is rooted with strong core values that drive our daily operations, interactions, and performance:

- **Safety:** Our goal is for everyone to return home safe.
- **Family:** We employ families. We respect that all our team members deserve a healthy work/life balance.
- **Responsive:** When you call, we answer. Our strong sense of urgency ensures that our clients have the information they need to make informed decisions.
- **Pride:** Pride in everything we do. If it carries our name, it must reflect our quality.
- **Value:** We add value by reducing risk and exceeding expectations.
- **Trust:** We keep our word. We do what we say we are going to do.

### Job Description

Endeavor Professional Services, LLC is seeking a **CAD Draftsman/Engineering Technician**

**Preferred Qualifications:** 3-5 years of experience

**Required Qualifications:** Highly proficient in site layout/grading utilizing AutoCAD Civil 3D Feature Lines and Assemblies.

Have knowledge of cut/fill site balancing, experience performing stormwater and utility layout utilizing Pipe Networks, understanding of erosion and sediment control measures, ability to generate base maps from survey data, and capability to prepare plan sets utilizing Sheet Set Manager. Experience with Erosion and Sediment Control General Permits (ESCGP) for oil and gas exploration, survey field experience, FAA Remote Pilot Certificate (Part 107) are preferred, but not required.

Candidates should have a willingness to learn, ability to complete field work on a flexible schedule, and work independently as well as in a team. Candidates will be expected to participate in regular meetings, communicating clearly and providing updates on progress of projects. Candidate should be able to modify designs based on feedback, maintain organization and documentation for future reference, while displaying an attention to detail and ability to solve problems.

Salary commensurate with experience and bonus potential.

Endeavor is a rapidly growing company, and advancement opportunities are available. This is a full-time, salaried position. Full-time employee benefits include paid time off, retirement plan with company match, medical & dental insurance coverage, paid holidays, and performance-based bonus program.

Interested candidates should email their resumes and cover letters to [Recruitment@endeavorpros.com](mailto:Recruitment@endeavorpros.com).
